Lockerley Primary School

At Lockerley Primary, our school grounds are an integral part of our enriched curriculum offer. We strongly believe that outdoor learning can contribute significantly to the education and personal development of children and enable them to embrace the challenges of their futures. Over the past months, we have invested heavily into improving our outdoor provision by extending the trim trail, introducing a large digging sand pit to the EYFS and KS1 provision and a new outdoor classroom. The Nature Nook is a beautifully hand-crafted wooden shelter, designed in collaboration between Frost Design and our School Council. We are very excited for the children to begin to use it as part of our outdoor learning environment.

MONARCH WRAP AROUND CARE

WE OFFER EXCELLENT WRAP AROUND CARE PROVISION MONDAY TO FRIDAY WHICH IS RUN BY A QUALIFIED CLASS TEACHER. WE PROVIDE A HOMELY ENVIRONMENT WHERE THE CHILDREN HAVE THE OPPORTUNITIES FOR SPORTS, GAMES AND CRAFT AND A HOME COOKED MEAL.

Update to Hall Hire Rates

Over the past few years, the running costs of the Hall — including electricity, water, and insurance — have increased significantly. As a result, the Management Committee has reviewed the Hall hire charges. The current rates have been in place since the beginning of 2023, and to help ensure the long-term sustainability of the Hall we will be introducing a modest increase to our hire fees. The updated rates will come into effect from 1 May 2026 and are shown below. We remain committed to keeping the Hall affordable and accessible for the local community while ensuring we can continue to maintain and improve this important village facility.

Room	Resident Rate	Non-resident/ Commercial Rate
Main Hall	£10	£15
Coffee Shop Annex	£7	£8
Reading Room	£6	£7
Kitchen	£6	£8
The Hive	£10	£12

If you have any questions about bookings or hire charges, please contact the bookings team, bookings@lockerleyvillagehall.org.uk

An Inspiring Term at West Tytherley C of E Primary School!

West Tytherley C of E Primary School has something to inspire every child! The spring term has been full of exciting opportunities and creative learning.

Oak and Willow Class dived into British Science Week with an engaging workshop led by the Electronics Skills Foundation. Inspired by what they learned, the children went on to design, code and build their own clever 'bot', which could detect noise levels in the classroom and wave when things became a little too loud! The children worked fantastically together and demonstrated STEM attributes such as collaboration, patience and problem solving skills.

Meanwhile, Chestnut Class had the wonderful opportunity to perform in the Voices InSpire concert at Salisbury Cathedral. Voices InSpire is a fantastic collaborative project run by Salisbury Cathedral School and Salisbury Cathedral for primary schools in the local area. Throughout the term, the team visited our school to teach the children a fun repertoire of songs, before bringing all the schools together at the end of term to perform a special concert in the Cathedral for family and friends.

We are incredibly grateful to the Sarah Rolle Trust for awarding us a grant to fund the transport for this trip, which meant the experience could be offered completely free of charge to our families.

Sporting success has also been celebrated, with our KS2 Tag Rugby team proudly bringing home silver medals from their most recent cluster competition.

Looking ahead to the summer term, there is plenty to look forward to as our dedicated teachers continue to bring learning to life. Planned trips include the National Motor Museum, meeting feathered friends at the Hawk Conservancy, and stepping back in time with a WW2 evacuee experience on the Watercress Line.

Finally, a huge thank you to the volunteers who have signed up to help with our vegetable garden project. The garden is now ready for planting and we are excited to see it grow and flourish as the warmer months arrive. If you would like to get involved, please do email schoolveggarden@gmail.com

The week before Easter is called Holy Week and is there to help people prepare for Easter. In our churches we are planning for:

Monday, Tuesday & Wednesday – Simple Evening Communion Services at different churches around the Benefice

Maundy Thursday – A service called 'Tenebrae', characterized by gradual extinguishing of candles at **Lockerley**

Good Friday – a 3-hour vigil (Noon to 3pm at **East Dean**) remembering the 3 hours that Christ spent on the cross. This will be a service where all ages can come and go, arriving and leaving when they please. There will be quiet, music and words to help our reflections. In the evening come to **Lockerley** (6pm) where the choir will be leading '**The Cross of Christ**' - the story of Jesus' suffering and death on the cross told through hymns, anthems and bible readings. (Duration about 1 hour).

Easter Sunday - The early morning service combines: a Vigil (waiting for Dawn outside the church); with the Service of Light (with procession and lighting of new 'Paschal Candle'); a reminder about Baptism (in the early Church, Easter was the only time for baptisms) and an Easter Communion. This will be followed by a light, celebratory breakfast.

Greetings from Lockerley Baptist Church

We meet each Sunday at 10.30am for morning worship. Anyone is welcome to join us at this service which is followed with tea or coffee and biscuits. Our next Coffee Morning will be held on Wednesday 15th April in the back hall from 10am to 12 Noon. Please come and join us. Light refreshments including home made cake and savouries will be available. If you would like any further information or help please phone Brian or Marion on 01794 341980. (Please note new number)

Update on the East Tytherley Bells Appeal - It has now been just over six months since the bell ringers of East Tytherley and Lockerley launched our appeal to raise funds to give our wonderful Taylor bells some much-needed care and attention. These bells have served the parish faithfully for more than 100 years. However, as with many things of this age, time has begun to take its toll and they now require significant work to ensure they can continue ringing out across East Tytherley for many years to come. They mark our weddings and funerals, celebrate special occasions, and call us to church services. We made a very encouraging start to the appeal and have already raised just over £17,000, but further funds are still needed to complete the restoration and ensure the bells receive the full attention they require. We will be present at Awbridge Fete, so please do come along and have a chat with us. We would be delighted to tell you more about the bells, their history, and the work that is needed. We hope to organise more fundraising events in the coming months, so please watch this space for news and opportunities to get involved. And finally, if anyone would like to come along to East Tytherley or Lockerley Church and try their hand at ringing church bells, you would be very welcome.
